

Elaine Xiao

Integrating business and technology to innovate

EXPERIENCE

Mism — Founder and CTO

JULY 2022 - PRESENT

Built a non-profit that includes at its core, a marketplace [website](#), upon seeing environmental problems in my community. Users list secondhand items, where everything is free. I led a community event to share free books, raising over \$400 for the Food Bank of Waterloo Region.

WeTalk — Creator and Host

MARCH 2023 - PRESENT

Producing a video series where speakers are interviewed, fostering discourse and sharing knowledge. Has 16k+ views; On YouTube @episodeofelaine.

Canada FBLA — National Advisory Council Executive

AUGUST 2023 - PRESENT

Initiated 6 new chapters. Currently creating and executing popular non-competitive events, overseeing 10 chapters, and creating multimedia content out of my own initiative that have been approved by the National Team.

Harvard ModelUN — Advocate

JANUARY 2024 - PRESENT

Representing Guinea at the upcoming conference. Advocating for a policy solution to enhance the global food system for third world countries. Conducting research and currently in the process to submit a proposal to the *United Nations*.

TEDxColumbiaLakeYouth — Speaker

OCTOBER 2023 - PRESENT

Shared my experience with an eating disorder, fostered understanding and education, and made passionate calls for action.

EDUCATION

Laurel Heights Secondary School — Cumulative GPA: 4.0

SEPTEMBER 2021 - JUNE 2025

Co-Editor in Chief of The Forecast — Orchestrating monthly articles for the school newspaper, and spearheading a collaboration with the local public library for a Youth Art Month event. Leveraged entrepreneurial thinking to conceive new expansion strategies: printing a wave of physical issues and securing our first sponsor for the paper.

Computer Science Club Executive — Teaching engaging and accessible lessons to 40 keen learners every week. Personally initiated a schoolwide event with a CS-oriented alumni speaker.

Co-President of Debate Club — Leading curious group discussions to foster in-depth thinking.

AwesomeMath Summer Program — Participant

JULY 2022

LaunchX Entrepreneurship Program — Participant

JUNE 2023 - JULY 2023; UNIVERSITY OF MICHIGAN

Led my group to a professional and successful tech startup innovation. During the program, I coordinated with the president of LaunchX out of my own initiative to create a startup showcase at the University of Michigan campus.

AWARDS

Three Honour Roll Awards for math contests hosted by the *Centre of Education for Mathematics and Computing*, including the Canadian Intermediate Mathematics Contest and the Beaver Computing Challenge.

Five Distinction Awards for math contests hosted by the *CEMC*, including the Canadian Senior Mathematics Contest.
